Bureau Veritas Certification hereby confirms that the management system of the above-mentioned organisation has been assessed and complies with the requirements set out in the following standards/regulations.

Standards/Regulations:

SN EN ISO 9001:2015

The management system comprises:

Development, manufacture, marketing and trade of electronic components and systems for power electronics as well as the necessary controls, processor and control systems

Date of initial certification:	18.12.2013	End of the last certification cycle:	17.12.2022
Date of recertification:	28.10.2022	Start of the new certification cycle:	18.12.2022

The requirements of the standards/regulations must be continuously fulfilled throughout the validity of this certificate. This will be ensured and guaranteed through regular monitoring by Bureau Veritas Certification.
This certificate is valid until: **17.12.2025**

Bureau Veritas Certification will provide information on the validity of this certificate on request at any time. Additional information on the management system and the area of applicability should be obtained from the organisation itself.

Certificate number: **CH15162890** Version: **1** Issue date: **13.11.2022**
